

PACFA Pathway Policy

1. Purpose

This policy outlines the requirements for students wishing to complete the Equine & Animal Assisted Psychotherapy (EAAPI) PACFA Pathway, which is a [PACFA Accredited Advanced Specialist Program](#), training in Equine Assisted Psychotherapy.

2. Scope

This policy applies to current and future EAAPI Equine Assisted Psychotherapy (EAP) students interested in learning the necessary requirements to complete the EAAPI PACFA Pathway.

3. Policy Statement

EAAPI is committed to offering a clear pathway for eligible students to have their skills recognised through EAAPI and PACFA's college structure, and provide the necessary guidance and support for students to complete this pathway and maximise learning outcomes. To that extent, we have finalised this policy for students who reach out in regard to completing the EAAPI PACFA Pathway.

4. Procedure

Students who wish to complete the EAAPI PACFA Pathway must fulfil the following five requirements:

1. Hold a current PACFA membership (or other professional membership, e.g. AASW, AHPRA).
2. Complete [EAAPI EAP Foundation Training](#) (online and in-person options available).
3. Complete six x Education Support and Supervision (ESS) sessions (with filmed/video submissions) – 1 x Equine ESS and 5 x EAP/EAL ESS Session. You will be invoiced by your Supervisor, at the Supervision rate of AU\$150* (plus GST) per session.
4. Complete [EAAPI Advanced Specialist Trauma Foundation Training](#) (5-day in-person in Vic, Australia).
5. Complete an open-book examination.

* subject to change at the Supervisor's discretion
